To Whom It May Concern:

The Craig City Council unanimously voted to support the efforts of the Moffat County Tourism Association and Robert Schenck to improve Yampa River access and the river floating experience through City and County owned property between the Yampa Valley Golf Course and Loudy Simpson Park. This stretch of river on the south edge of Craig is already a very popular float with local river enthusiasts. Yet the river holds a lot of undeveloped recreational and tourist value for the community.

The Craig City Council would like to see the Yampa River recreational experience enhanced and will support every effort to improve this important asset to Craig and Moffat County. If you have any questions or would like to discuss this project further, please don't hesitate to contact me at (970) 826-2023 or email at [jferree@ci.craig.co.us](mailto:jferree@ci.craig.co.us)

Sincerely,

Jim Ferree, City Manager
